

电池中含有一系列对危害人类健康和环境的金属，包含某些情况下有害的重金属铅、镉和汞。在美国，除了在1996年5月13日生效的美国公共法104-142外，最近，美国的一些州进一步地加强了对电池的限制。

Batteries contain a range of metals which are harmful to human health and the environment, including in some cases the hazardous heavy metals lead, cadmium and mercury. In US, except US Public Law 104-142 that published on 13 May, 1996, recently, some states in US also further strengthened the restriction on battery.

详细信息如下：

The detailed information is as follows:

法规 Law	范围 Scope	限制对象 Objective	汞限值 Mercury Limit	豁免 Exception	生效日 Effective Time
US Public Law 104-142	美国 United State	纽扣碱锰电池 Alkaline-manganese button cells	25mg/cell	-	May 13, 1996
		碱锰电池、碳锌电池 Alkaline-manganese batteries, Zinc-Carbon batteries	不得有意添加 No intentionally introduced	-	
		氧化汞纽扣电池 Mercuric-oxide button cells	不得销售 No sale	-	
		其它氧化汞电池 Other mercuric-oxide batteries	不得销售 No sale	除非建立回收点并让 购买者清晰知晓 Unless setting up a collection site and the purchaser is well informed	
CONNECTICUT-CGS SECTION 22A-616	康涅狄格州 Connecticut	含汞纽扣电池与含此种电池的产 品 Button cell batteries containing mercury or any product containing such batteries	不得销售 No sale	-	Jul 1, 2011
OHIO-ORC 3734.64	俄亥俄州 Ohio	含汞纽扣电池及含此种电池的小 产品 Button cell battery containing mercury or novelty containing such batteries	不得销售 No sale	-	Jan 1, 2011
RHODE ISLAND -TITLE 23 CHAPTER 23-24. 9-6	罗德州 Rhode	含汞纽扣电池与含此种电池的产 品 Mercury-added cell battery and a product containing such batteries	不得销售 No sale	1)含汞氧化银电池 Silver oxide batteries containing Mercury (June 30, 2012) 2) 专用于给人传输胰 岛素的医疗设备的含 汞氧化银电池 An Hg-silver oxide battery containing mercury that is used exclusively in a medical device to automatically deliver insulin to a person (Jan 1, 2015)	Jun 30, 2011
MAINE-TITLE 38 SECTION 1661-C	缅因州 Maine	碱锰、碳锌钮扣电池及部分氧化银 钮扣电池 Alkaline-manganese, zinc-air and some silver oxide button cells	不得销售 No sale	含汞氧化银电池 Silver oxide batteries containing Mercury (Jan 1, 2015)	Jun 30, 2011
